VOL. 2

BOWLING GREEN, OHIO, MAY 20, 1921

NO. 8

## REMEMBER ALUMNI DAY

June 15! We are planning on meeting all the graduates of Bowling Green State Normal College on that day and having a genuine good time together.

We shall see a fine base ball game in the afternoon between the alumni and the college team. Who'll win? Come and see. Bring your real B. G. N. C. spirit with you and cheer for the right team.

At 6:30 we shall assemble in the dining room of Williams Hall and recall our pleasant days spent in Bowling Green while we enjoy a real dinner together. Several of the alumni have very definite ideas in mind which will help in our organization and tend to keep us in touch with each other. These people will be given an opportunity to tell us their plans and make their suggestions. After these talks have been made we should be thoroughly prepared to perfect an active alumni organization.

Following the dinner hour we shall have one of those college sings which will, for many of the alumni be more conducive to true college spirit and enthusiasm than any of the other happy events of the day. Those of us who have been summer school students in our alma mater know what a rare treat this music will be.

The remainder of the evening will be spent in the gymnasium where the orchestra will lead us in expressing our joy and levity.

Commencement exercises will be held the following morning and we hope many will plan to remain for the ceremonies and activities of graduation day.

You will receive announcements of Alumni Day soon. Please reply promptly in order that the committee can make definite plans for you.

## SECOND ANNUAL MEN'S HOP

The Second Annual Men's Hop was staged by the men students of the college in the gymnasium on April 22, 1921. The gymnasium was artistically and attractively decorated in green and gold the men's club colors. Jack-o-lanterns, lighted by electric lights, were scattered over the room.

The music was well played by the North Baltimore orchestra of six pieces. Dancing was the main diversion of the evening. At a late hour refreshments of ice cream and lady fingers were served. A feature of the evening was the "whistle dance," which made its first appearance for B. G. S. N. C. Another was the balloons and the paper hats. The patrons and patronesses were the Misses Young, Light and Nielson, Mr. and Mrs. Biery and Mr. Tunncliffe. The committees and officers were chairman-at-large, G. Fry; music and program, I. Lake; entertainment F. Skibbie; features, R. Olmhausen; refreshments, D. Fuller; decoration, O. Raberding; arrangements, J. Fuller; electrician, Bert Bowman, and treasurer, K. Moore.

The guests departed all declaring it the best party of the year.

## TENNIS MATCH AT BLUFFTON

The tennis team, composed of Walker and Langstaff, played their first games of the season losing the doubles to Hickstetter and Scheid, 6-4. Walker lost to Scheid 6-0, 6-2; and Langstaff to Hickstetter, 6-0, 6-1, in the singles.

## MAY FESTIVAL

The seventh annual music festival on May 4th and 5th of this year proved to be the equal of any that has been given. Both nights the concert was far beyond the greatest expectations of the college and community. And the afternoon performance for school children was wonderful.

Professor Ernest Hesser, Baritone, former head of the department of music in B. G. N. C., and James Hamilton, Tenor, took the solo parts for the initial performance. Prof. Hesser was the founder of the College-Community chorus and it was very courteous for Prof. Tunncliffe to request him to take part in this year's festival. Prof. Hesser's voice has improved greatly and his songs were rendered in an exceedingly pleasing manner. Bowling Green people always enjoy his singing.

Mr. Hamilton, the tenor soloist, from Chicago, thoroughly entertained the audience in his singing. His high tenor voice and wonderful dramatic ability was greatly appreciated. He was encored several times as was Prof. Hesser.

The chorus work can easily be said to have equalled any previous attempt to interpret the work of any composer. Prof. R. M. Tunncliffe had the singers in full control and each attack and release was simultaneously made by them. The words were distinct and the musical talent of this community was exceedingly well trained.

The chorus was aided by an orchestra of twelve Bowling Green musicians that proved a great addition to the Festival. It is hoped that this orchestra will become a permanent organization as a part of the festival chorus.

Miss Light accompanied the chorus and soloists during the evening. She continued to play as splendidly as she has always done.

In the afternoon and evening of the second day the Cleveland Symphony Orchestra gave two concerts, the afternoon performance being a children's concert which they certainly enjoyed.

In the evening the organization played some of the heavier music and under the direction of Nikolai Sokoloff they played with unusual technique and harmony.

Musical critics declare the 1921 Festival a great success.

## A Thriller.

Last night I held a hand in mine  
It was so small and sweet,  
I tho't my heart would surely break  
-So loudly did it beat.  
No other hand into my heart  
Can greater rapture bring,  
Than the little hand I held last night—  
Four acres and a king.

## LAST NUMBER ENTERTAINMENT COURSE

Owing to the serious illness of Olive Kline and the cancellation of all her engagements for the remainder of this season, the Entertainment Course committee has been forced to substitute Ottillie Schillig for the concert on May 19th. Miss Schillig is one of the best known and most promising of the younger sopranos in this country. She had been engaged by the committee for next year's course but agreed to come this year instead. The joint recital of Miss Schillig and Salvatore de Stefano, Harpist, on May 19th, should be attended by every student of the college.

**EDITORIAL**

It is very pleasing to the Bee Gee staff the way in which the students of the college are contributing to their paper. Material for the Commencement Number is rapidly accumulating. With the continued cooperation of the students the Bee Gee staff will be able to issue a first class twenty-four page Souvenir Number, something well worth while.

This number of the Bee Gee News will contain thirty half-page pictures of the different societies and the athletic teams of the college. Under each picture will be a summary of their year's work. One or two pages will be devoted to snapshots.

It is necessary that all material be in not later than the first of June. The editor assures you that no poems, short stories or jokes will be selected until about the first of June. This will give all students an equal chance of having their articles selected.

**MAY FESTIVAL**

The Bowling Green May Festival has put Bowling Green upon the map in a musical way. The benefits derived from the seven Festivals held here have been so great that the people who have taken part and the community are unanimous in considering the May Festival one of the permanent educational and recreational events of the city.

The Bee Gee News predicts that as years roll by the May Festival will increase in popularity and usefulness.

All the new students coming to B. G. N. C. will find that there is a welcome awaiting them. The faculty and students of the college are eager to make their acquaintance and to make them feel at home.

It is very evident that every student who attends B. G. N. C. does so with the idea of getting something which will be of value

to him in his work. All have the right idea. But it is only fair that these students should strive to contribute to the honor of the college. This will require unselfishness, because, it is at times rather difficult to spend leisure time working.

It will require a great deal of unselfishness to take part in programs when called upon to do so; to be willing to enter athletics and fight for the Alma Mater.

New students should not hesitate to exert their influence in the kind of work in which they feel themselves the most able. Without doubt, there are many among the Spring students who have a great deal of talent. They should not wait until somebody is lucky enough to discover them. That may never happen.

It is absolutely fitting for them to volunteer. With all the enrollment which exceeds five hundred it is very difficult at times to get people who are willing to take part in a program. Most students say they are busy, but it is evident that some are doing twice as much as others. Either some have twice the working capacity of others or there is too much time spent in random activity.

The purpose of this article is to welcome you to B. G. N. C. and to encourage you to contribute to the traditions of our college. Before you pursue this course very long you will find for yourself that it is more pleasurable to give than to receive.

**TRACK! TRACK! MORE TRACK!!!**

How many are going to Bluffton Saturday, May 21st, 1921 to see B. G. N. C. romp away with all the honors at the track meet? Lets all go!

We have a "long" list of candidates for a long list of events. The best man will represent Bowling Green. Who will he be? Are you back of him? You ought to be, no matter who it may be. Girls! you will be proud of him some time. That time is not far off when he will return to Bowling Green burdened with honors, medals and trophies of all descriptions.

The track candidates have been getting in early at night in order to receive ample sleep, refusing to eat all sweet foods such as candy, ice cream, pie and cake, and refusing to smoke in order to "get into condition" for the meet.

These are a few of the requirements of the track candidates and surely if they can undergo such inconveniences and hardships for the honor of their school, you ought at least furnish a little pep and spirit for the team.

What do you say? Lets go!!!

**BOOK AND MOTOR**

The Book and Motor Society is raising a loan fund for needy students. The first money was raised by selling candy and popcorn after lecture course numbers. At present pennants are being made and sold at a price ranging from seventy-five cents to one and one-half dollars. Orders may be given to any member of the society. Designs may be seen in the glass case near the office.

K. MOORE,  
President.

**PERSONALS**

Schaller's sale of ads assures a twenty-eight page Commencement number of the "Bee Gee News."

Prof. Holt has forsaken the bike and is enjoying the thrills of a joy rider.

Prof. D. J. Crowley is spending a few days at home entertaining "La Grippe."

Kenneth Pollock, of Middlepoint, called upon friends recently.

Prof. Hudson is skipping about in a new "Henry."

**SHAKESPEARE CLUB ENTERTAINS**

The local Shakespeare Club entertained members of the Wauseon and Toledo Shakespeare Clubs at the college on April 22. After lunch they were led to the front of the Science building, where they planted an English elm. Mrs. Avery spoke to them concerning the life of Shakespeare. The girls of the gymn class performed a minuet on the circle in front of the Administration building. Prof. Beyerman had charge of this. Next came a one-act play in the auditorium under the direction of Prof. Rea McCain. It was on the life of Shakespeare. Prof. Carmichael took the part of Shakespeare and did some very clever acting.

**A SONNET**

The time has come when joyous Spring is here,  
And birds are coming back from far and near,  
And plants are springing into new-born life;  
And baseball teams begin their annual strife.  
And the poor boy at his drudgery at school,  
In class makes of himself a little fool,  
Because his mind is far so far away  
And not at all on lessons of the day.  
'Tis cruel and harsh to make him work so long,  
And study at his lessons, and 'tis wrong  
To even think that he should know them, when  
Just all outdoors is calling to him then.  
So we'll conclude that it's not at all the thing  
To ask of him to go to school in spring.

Mr. Moseley—"Name the largest known diamond."

Hoskinson—"The ace."

## CHAPEL

The chapel exercises on April 19 were turned over to the music department. The Girls' Sextette and the Male Quartet sang several selections.

After the usual devotional exercises and charge. For several moments he taught announcements, Prof. R. M. Tunncliffe took the students the correct method of singing the National Anthem. Then followed the regular program:

Thy Beaming Eyes-----Sextette  
 Drink to Me Only-----Quartet  
 Solo-----Donna Rae  
 Shoogy Shoo-----Sextette  
 Far At Sea-----Quartet

The sextette and quartet have been working hard and are certainly a credit to the college. We shall hear more from them this year.

On April 26, Prof. Kimmel took charge of the Chapel exercises.

Dr. Cherington, of the Methodist church, favored the students by delivering an address on "Interdependence." It was very interesting. He showed by incidents, how individuals and even nations are dependent upon one another.

He said "Mr. Thomas Edison depends upon others to carry out his ideas. The coal dealers depend upon railway companies for transportation. China depends upon the United States and other countries for aid in time of famine.

"In all ages we find a certain amount of dependence. At the present time this dependence is broader than ever before. We are beginning to realize that no man can live to himself. 'Every one is to a certain extent his brother's keeper.' If every one in this world would be unwilling to help others and would only look out for himself it would indeed be a very selfish world,—one in which few people would care to live."

On May 3 the Chapel exercises were devoted to the presentation of a lesson on appreciation in music. Prof. Tunncliffe explained to the students the real meaning of a symphony in order that all students attending the May Festival would have some idea as to what to expect. Miss Light discussed the various vocal solos to be sung.

Every effort has been made to have a well balanced program which all can enjoy.

On May 10th the auditorium was crowded with students due to the opening of the Spring term. Miss Light sang two very beautiful songs which were greatly enjoyed by all. Dr. Williams welcomed the new students to B. G. N. C. and encouraged them to get a good start. He said, "If you are just starting out on your college career it would be better for you to get good grades. In order to do this it will be necessary for you to arrange a well balanced program and not attempt to carry too many hours of work. Many superintendents ask for your record at college, so it is up to you to make this record acceptable."

Freshie—"Mr. Moseley, what would you say was the dearest language?"

Mr. Moseley (after deep thought)—"What'll you have?"

Weaver—"Waiter, a little bird told me this coffee was not strained."

Waiter—"A little bird sir?"

Weaver—"Yes, a swallow."

## EMERSON LITERARY SOCIETY

May 2, 1921.—The Emerson Literary Society held a weiner roast in honor of their athletic and literary contestants, on the campus. The weiners were roasted over a large bon-fire. Hot chocolate was served with the sandwiches. After the "eats" the members played games and then held a council of war. Peppy and appropriate speeches on the much-looked-forward-to contest with the Wilsonians were made by Arline Poe, Charles Clucas, Ruby Siggins, and Dr. Kohl. The society is determined to duplicate its victory in basketball by winning the coming baseball and tennis games, track meet and literary contest. Date of the literary contest is May 27th. Conscientious preparation is being made by every entry and victory should be the reward.

## WILSONIAN LITERARY SOCIETY

The Wilsonian Literary Society met in room 315 Tuesday evening, May 3rd, 1921. A large number were present. Those answering the roll were favored by the following program: Songs by the society. (The following speeches were well delivered)—Track, Harry King's Oratory, Lloyd Miller; Girls' Track, Stella Baker; Girls' Baseball, Martha Laura.

The purpose of this program was to boost athletics, not only in the literary society, but in the college as well. If every other organization would put as much "pep" into their activities as the Wilsonian Literary Society does, in an attempt to help produce a winning varsity team in each form of athletics, the college would meet with more success in that line of work.
